15 the next four fiscal years, the State Board of Elementary and Secondary
16 Education shall identify the districts in parishes other than East Baton Rouge
17 on which the creation of the St. George Community School System causes a
18 negative impact and determine the amount of the negative impact on the
19 minimum foundation per pupil allocation. The State Board of Elementary and
20 Secondary Education shall withhold the total of the amounts of the negative
21 impact on all districts in parishes other than East Baton Rouge from the total

29 employer, vendor, or by any other means, the St. George Community School
30 District shall remit that portion of the unfunded accrued liability attributable

1 to that position or positions pursuant to R.S. 11:1195.2.

7 for the benefit of every individual hired by the St. George Community School
8 System as a full-time employee.

9 (2) Utilizing the annual calculation method provided in Subsection B of
10 this Section, the St. George Community School System shall reimburse, via the

28 Section shall be divided by the number of students enrolled in the East Baton
29 Rouge Parish School System for the school year prior to July 1, 2027, thereby,
30 representing the per pupil amount of the total cost of the post employment

2 students enrolled in the St. George Community School for the school year after
3 July 1, 2027, representing the amount of the payment to the trust.

4 (b) For the school year beginning on July 1, 2028, and for all subsequent
5 years thereafter, the amount deposited shall be the per pupil costs utilizing the
6 initial student enrollment data for the respective two school districts and the per
7 pupil formula applicable to the amount owed to satisfy the obligation provided
8 for in Subsection A of this Section.

9 C. In the event it is determined by an actuarial study that the funds on
10 deposit in the Legacy Benefit Trust for Retirees of the East Baton Rouge Parish
11 School System are sufficient to pay the costs of the legacy benefits due to a
12 proportionate share of individuals who retired from the East Baton Rouge
13 Parish School System prior to the date in which the St. George Community
14 begins the actual operation of educating students, St. George Community
15 School System shall not be required to make any additional payments to the

29 shall reimburse East Baton Rouge Parish Educational Facilities Improvement
30 District an amount equal to the percentage of the debt service paid in the

1 preceding fiscal year attributable to the construction completed within the
2 boundaries of the St. George Community School District. The reimbursement
3 shall be made to East Baton Rouge Parish Educational Facilities Improvement
4 District within thirty days of receipt by the St. George Community School
5 District of payment confirmation for the debt service attributable to
6 construction completed within the boundaries of the St. George Community
7 School System.

8 §68.7. Mutual agreements regarding distribution of assets and liabilities

12 shall meet jointly to begin the process to determine the fair and equitable
13 division of all assets and liabilities between the two school boards related to the
14 formation of the St. George Community School System. The two school boards

17 manage the risks associated with and the costs of providing the post
18 employment benefits, the benefit costs shall be calculated on the basis of the
19 benefit plan adopted by the St. George Community School Board for those
20 employees who are employed by the St. George Community School System after
21 the effective date of this Act.

22 D. If, in order to reach a fair and equitable agreement with respect to the
23 division of assets and apportionment of liabilities as provided in this Section
24 results in the requirement that an equalizing payment be made, that payment
25 may be made as a one-time payment or may be structured over a number of
26 years, as agreed by the parties.

27 E. If the two school boards are not able to reach a mutual agreement
