

RÉSUMÉ DIGEST

ACT 181 (HB 344)

2025 Regular Session

Berault

Existing law requires the principal of any public school to provide for the transfer of the education records of any current or former student at his school upon the written request of any authorized person on behalf of a public school, nonpublic school, or educational facility within a correctional or health facility where the student is enrolled or seeking enrollment. Requires records to include the date of, and reason for, any suspension or expulsion.

New law broadens the transfer requirement to apply to the student's full disciplinary record, not just suspensions and expulsions, and applies existing law and new law to charter schools.

Effective August 1, 2025.
