HR 374

2025 Regular Session

Brass

Creates the Youth Tobacco and Nicotine Cessation Task Force to study the effects and impacts of nicotine use by persons under 21 years of age.

Requires the task force to identify the prevalence of vaping and use of other tobacco products among the under 21 population, including demographic data and usage trends across regions and socioeconomic groups.

Provides that the task force will also identify pathways worth pursuing to address youth tobacco and nicotine use.

Provides that the Louisiana Department of Health shall oversee the task force and coordinate meetings to discuss and report findings.
