

RÉSUMÉ DIGEST

SCR 35

2025 Regular Session

Edmonds

Urges and requests the legislative auditor to conduct a performance audit of the Dept. of State's policies, procedures, and practices and those of election officials in this state regarding the integrity of elections in La., including but not limited to a comparison of policies, procedures, and best practices used by other states, in the performance audit of the department every four years, following the 2028 presidential election.
