

RÉSUMÉ DIGEST

ACT 7 (HB 10)

2025 Regular Session

Boyer

Existing law requires a reemployed retiree of the La. State Employees' Retirement System to meet the following requirements to be exempt from any benefit increase, suspension, or reduction during reemployment:

- (1) Retired for one year.
- (2) Is eligible to receive his full retirement benefit.
- (3) Appointed by the governor to fill an unclassified civil service position.

Prior law additionally required the reemployed retiree to have at least 30 years of service credit to be eligible for the exemption.

New law reduces the service credit requirement to at least 25 years.

New law requires that any cost of new law be funded with additional employer contributions in compliance with existing constitution (Art. X, Sec. 29(F)).

Effective August 1, 2025.
