

RÉSUMÉ DIGEST

SR 186

2025 Regular Session

McMath

Created the Task Force on Alternative Therapies for Veterans to study whether certain psychedelic therapies may be beneficial to La. veterans, and to propose recommendations, together with specific proposals for legislation.

Provided that the report shall be submitted to the legislature and the David R. Poynter Research Library no later than February 1, 2026.

Provided for membership of the task force, for chairmanship, and for termination of the task force.
