

RÉSUMÉ DIGEST

SR 204

2025 Regular Session

Hodges

Created the Task Force on Protecting Louisiana's Critical Infrastructure from Foreign Adversaries to study real-world threats that foreign adversaries pose to Louisiana's critical infrastructure, including threats to our United States' military bases, oil and gas production and refining facilities, industrial manufacturing plants, energy generation infrastructure, and agriculture and food production lands, and to propose recommendations, together with specific proposals for legislation.

Provided for membership of the task force, quorum requirements and the convening of its first meeting.

Provided that the task force shall terminate on the date of the submission of its report or March 1, 2026, whichever comes first.
