

RÉSUMÉ DIGEST

ACT 338 (SB 237)

2025 Regular Session

Boudreaux

Existing law provides that the governing authority of certain enumerated parishes and municipalities may adopt ordinances, rules, and regulations in order to secure or cause to be secured any building or other structure situated within the respective parish or municipality, which endangers the public welfare or safety.

New law retains existing law and includes the city of Lafayette and Lafayette Parish to the parishes and municipalities authorized to adopt ordinances, rules, and regulations in order to secure or cause to be secured any building or other structure, which endanger the public welfare or safety.

Effective August 1, 2025.
