Existing law provides that the St. Tammany Parish Development District is declared to be a body politic and political subdivision of the state of Louisiana.

New law retains existing law and further provides that the district is a local governing authority solely for the purposes of the state's annual appropriations act.

New law provides that the district may use "St. Tammany Economic Development Corporation" or a similar trade name.

Existing law provides that the district shall be governed by a board of commissioners consisting of 11 members. Provide that all members shall be qualified voters and taxpayers within the limits of the district during their term of office. Provide that on and after January 1, 2018, members of the board of commissioners shall be nominated by the board of commissioners and submitted to the council of St. Tammany Parish for approval. Provide that initial terms shall be staggered for the periods indicated as follows:

- (2) Four members shall serve two-year initial terms.

New law retains existing law but removes reference to initial terms and the January 1, 2018, date. Provides that commissioners shall serve staggered three-year terms of office with three or four members term expiring in any year. Provides that members shall serve until the replacement is approved and sworn.

Prior law provided that the nominating committee of the board of commissioners shall consisted of the board president and vice president, the district executive director, the president of St. Tammany Parish, and a member of a regional board or commission selected by the president of St. Tammany Parish. New law provides that the nominating committee shall consist of the board chair, vice chair, and treasurer, the district president and chief executive officer, the president of St. Tammany Parish or his designee, a member of a regional board or commission selected by the parish president, the St. Tammany Parish Council chairman or his designee, and a member of the St. Tammany Parish Council selected by the council chairman. Provides that the regional board or commission member and the selected council member shall not serve on the committee for more than two consecutive years. Removes provisions that required the slate of nominees to be forwarded to the council of St. Tammany Parish.

Prior law provided that the initial slate of nominees shall be nominated by the members of the nominating committee and board of commissioners on or before December 31, 2017. Provided that for continuity, both the initial nominations and initial approved nominees shall include at least two members of the board of commissioners as of December 31, 2017.

Existing law provides that the board of commissioners shall elect from among its own members a president, a vice president, a secretary, and a treasurer, whose duties shall be those usual to the offices. Provides that at the option of the board of commissioners, the offices of secretary and treasurer may be held by one person.

- (2) The position of vice president shall be identified as vice chair.

Prior law provided that the board of commissioners shall meet in regular session every month and shall also meet in special session as often as the president of the board convenes them or on the written request of four members. Provided that six members of the board of commissioners shall constitute a quorum.

New law requires that the board of commissioners attempt to meet in regular session every month, and meet not less than nine times per calendar year whether in regular or special session as called by the chair or on the written request of four members. Provides the quorum is six members.

Existing law provides that the board of commissioners shall prescribe rules to govern its meetings. Provides that the board of commissioners may contract with or employ attorneys, clerks, engineers, deputy commissioners, an executive director, and other agents and employees and shall fix their compensation and terms of employment.
