

RÉSUMÉ DIGEST

ACT 505 (HB 504)

2025 Regular Session

Coates

Prior law prohibited a tanker truck with a water capacity of 1,000 gallons or more from transporting liquefied petroleum gas until it was registered with the Liquefied Petroleum Gas Commission and an annual registration fee of \$50 was paid.

New law changes the annual registration fee in prior law from \$50 to up to \$100 from Aug. 1, 2025, to Jul. 31, 2030, and \$150 thereafter.

Effective August 1, 2025.
