

RÉSUMÉ DIGEST

HR 306

2025 Regular Session

Walters

Urges and requests the Dept. of Transportation and Development to establish the Urban Infrastructure Planning Task Force (UIPTF). Specifies that the UIPTF must identify infrastructure needs in urban areas, the financial feasibility of the projects, assess potential impacts of the projects, evaluate the efficiency of ongoing projects, and evaluate the impact on La. citizen's standard of living. Requires the UIPTF submit a 2030 written report to the House transportation committee by Dec. 13, 2025. Requires the UIPTF submit a 2035 written report to the House transportation committee by Dec. 13, 2029, with a mid-range written report submitted by Feb. 13, 2027. Requires the UIPTF submit the 2040 written report to the House transportation committee by Dec. 13, 2034, with a mid-range written report submitted by Aug. 13, 2032.
