

RÉSUMÉ DIGEST

HR 315

2025 Regular Session

McMakin

Urges and requests the Dept. of Transportation and Development (DOTD) to study the benefits of implementing the D.R.I.V.E. Initiative (DOTD's Responsibility for Interstate 12 (I-12) Vitality and Efficiency) including major improvements to the shoulders and capacity of I-12, to develop a comprehensive, shovel-ready plan that addresses long-standing safety concerns, reduces congestion, and supports regional growth, including improvements to the I-12 and I-55 Interchange. Requires the DOTD submit a written report detailing its findings to the House transportation committee by Aug. 1, 2026.
