

RÉSUMÉ DIGEST

ACT 153 (HB 164)

2025 Regular Session

Billings

Existing law provides for the La. Wildlife and Fisheries Commission to issue licenses for hunting preserves within the state to permit the releasing and shooting or taking of pen-raised quail and pen-raised mallards.

New law provides that the licenses be issued only outside the coastal zone except for hunting preserves within the coastal zone north of Hwy. 90 that were licensed as a hunting preserve in the 2024 license year.

Effective August 1, 2025.
