

RÉSUMÉ DIGEST

ACT 296 (HB 605)

2025 Regular Session

Riser

New law requires the dept. to charge an expedited processing fee in addition to any fees provided by law or regulation when an applicant is granted a request for expedited processing.

New law provides the basis of assessing the fee is based on direct costs incurred by the dept., including employee overtime, for expedited processing or review, and for an administrative surcharge of up to 20% of the total overtime cost.

New law provides for additional mailing or delivery costs to be borne by the applicant for services beyond the dept.'s normal level of service.

New law provides for a waiver of the processing fee if the need for expedited processing was caused by error, mistake, or delay of the dept.

Effective August 1, 2025.
