

RÉSUMÉ DIGEST

HCR 45

2025 Regular Session

Bourriaque

Authorizes and directs the La. Department of Transportation and Development (DOTD) to evaluate and recommend improvements to district alignments, maintenance facilities, and laboratory operations; to prioritize continued project delivery during the transition period; and to support necessary organizational and operational reforms to ensure the effective and timely delivery of infrastructure projects. Requires the DOTD to submit a written report detailing its findings and recommendations to the House and Senate Transportation committees prior to the 2026 R.S.
