

RÉSUMÉ DIGEST

ACT 126 (HB 40)

2025 Regular Session

Henry

Existing law generally requires police juries to elect a parish treasurer for a term of two years. Provides that the office of the parish treasurer shall be located at a site designated by the local governing authority. Requires the parish treasurer to also maintain an office at the parish seat.

Prior law required the governing authority of Acadia Parish to elect a parish secretary-treasurer for a term of four years. Provided that the term was concurrent with the term of the members of the parish governing authority.

New law removes prior law and instead requires the governing authority of Acadia Parish to elect a parish administrator for a term of four years. Provides that the term shall begin two years after the beginning date of the term of the members of the parish governing authority.

New law provides that the term of the secretary-treasurer in office on the effective date of new law terminates two years after the beginning date of his term. Provides that the term of the parish administrator begins on the termination date of the term of the secretary-treasurer. Additionally provides that the parish administrator's term terminates two years after the beginning date of the next term for the members of the parish governing authority.

Effective August 1, 2025.
