

RÉSUMÉ DIGEST

HR 305

2025 Regular Session

Mandie Landry

Creates the Task Force on Southeast Louisiana Regional Water Purification Operations to study the feasibility of building a water purification facility to service the parishes of Jefferson, Orleans, Plaquemines, St. Bernard, and St. Charles and to report findings and recommendations regarding the best strategies and procedures for the operation and management of such facility to the governing authorities of the parishes of Jefferson, Orleans, Plaquemines, St. Bernard, and St. Charles, the members of the legislative delegation for each parish, and the City Services Coalition not later than March 15, 2026.
