

RÉSUMÉ DIGEST

ACT 59 (HB 109)

2025 Regular Session

Thompson

Existing law provides for the Geaux Teach Program, which awards scholarships to students in approved teacher preparation programs at postsecondary education institutions.

Prior law authorized the use of scholarships only after all other state or institutional financial aid and awards were applied. New law instead requires scholarship awards to be applied before other student aid.

Effective August 1, 2025.

(Amends R.S. 17:7.6(G))
