

RÉSUMÉ DIGEST

ACT 80 (HB 351)

2025 Regular Session

Mike Johnson

Existing law provides that a qualified elector may bring an action objecting to candidacy under certain circumstances. Further provides for other contests and challenges.

New law requires the court to assess court costs and attorney fees upon a determination that a candidate knowingly attested to false information in a notice of candidacy. Further provides that the court may impose further sanctions if deemed appropriate.

Effective upon signature of governor (June 4, 2025).
