

RÉSUMÉ DIGEST

HR 312

2025 Regular Session

Jackson

Urges and requests the La. Dept. of Health (LDH) to address oversight gaps in the managed care incentive payment (MCIP) program and submit progress reports to the House Committee on Health and Welfare.

Requests LDH to continue enhancing oversight and performance tracking of the MCIP program and similar initiatives, develop or refine program metrics to better assess population health outcomes and cost-effectiveness and collaborate with managed care organizations and community partners to implement evidence-based practices that align with Medicaid goals.

Requests LDH to submit quarterly reports on MCIP reform efforts to the House Committee on Health and Welfare.
