**ACT 348 (HB 126)**

**2025 Regular Session**

**Lyons**

Existing law establishes a funding formula for distribution of state funding to parish councils on aging. Requires such funding to be distributed quarterly by the office of elderly affairs to each parish council on aging.

Prior law required such funding to be distributed in an amount equal to \$2.50 for each resident of the parish age 60 or older as of the latest federal decennial census or \$100,000, whichever amount is greater. New law increases the minimum per resident amount from \$2.50 to \$4.00 and increases the standard per parish minimum amount from \$100,000 to \$150,000.

Prior law required the minimum total annual appropriation for such distributions to be \$6,900,000. New law increases this amount to \$10,494,238.

Effective upon appropriation of funds by the legislature.
