Abstract: Requires the Lincoln Parish Clerk of Court to pay for specified group insurance premiums for certain retirees.

Present law authorizes the clerk of any district court to contract for group insurance for the clerk of court, employees, and dependants of the clerk or the clerk's employees.

Present law provides that the clerk or any covered clerk's employee who retires under the clerk of court retirement program may elect to continue insurance coverage under the program if employed for at least 12 years prior to retirement. The cost may be paid in the same manner as if he were still employed by the clerk of court.

Present law provides that the covered employee begins receiving retirement benefits immediately upon retirement from active employment.

Proposed law retains present law and requires the Lincoln Parish Clerk of Court to pay the full amount of all insurance premiums for all retirees who have worked with the office of the Lincoln Parish Clerk of Court for at least 20 years and who meets the age requirement for retirement.
