**Abstract:** Revises the time period for providing notice of an adjudicatory hearing of the Structural Pest Control Commission.

Present law authorizes the commission to impose civil penalties, probation, and suspend or revoke permits, licenses, and registrations based on an adjudicatory hearing conducted in accordance with the Administrative Procedure Act (APA). Further requires the commission to provide the alleged violator with at least 30 days of notice of an adjudicatory hearing by certified mail.

Proposed law modifies present law by requiring a hearing notice be provided in accordance with the APA instead of requiring a minimum 30-day notice period.

(Amends R.S. 3:3372(E)(2))
