HB 392 Original

2026 Regular Session

Boyd

**Abstract:** Provides relative to requirements for posting suicide prevention hotline information on school websites and student ID cards.

Present law requires each secondary school to post a national suicide prevention hotline number, 988, and a local suicide prevention hotline number, if available, on its website. Proposed law broadens the application of this requirement to both middle schools and high schools and additionally requires an explanation that 988 may be called or texted and the inclusion of a state suicide prevention hotline number, if available.

Present law requires each secondary school that issues ID cards to include 988 and a local hotline number, if available, on the back of the cards. Proposed law broadens the application of this requirement to both middle schools and high schools and additionally requires an explanation that 988 may be called or texted and the inclusion of a state hotline number, if available.
