SB 231 Original

DIGEST
2026 Regular Session

Barrow

Present law (R.S. 40:600.35) provides that each local governmental subdivision maintaining a blighted housing property list shall submit the list to the state housing agency no later than December 31st of each year. Further provides that the information submitted to the state housing agency shall be updated quarterly.

Proposed law retains present law.

Present law provides that the state housing agency has the duty of maintaining the statewide blighted housing property list. The state housing agency shall publish, no later than March 15th of each year, a statewide blighted housing property list based on information received from local governmental subdivisions in accordance with the provisions of present law. Further provides that the list shall also be maintained on the state housing agency's website and shall be updated quarterly.

Present law provides that the state housing agency shall utilize a statewide housing locator system for the purpose of maintaining the blighted housing property list. The system shall be updated as needed.

Proposed law retains present law but requires the statewide housing locator system to be made available to the general public online through the state housing agency's website.

Effective August 1, 2026.
