HB 587 Original

2026 Regular Session

Dickerson

Abstract: Creates the "PANS/PANDAS" special prestige license plate and provides for the creation, issuance, design, implementation, fees, distributions, and promulgation of rules applicable to this license plate.

Proposed law requires that the Dept. of Public Safety and Corrections, office of motor vehicles (OMV), issue a special prestige license plate to be known as the "PANS/PANDAS" license plate, provided that there is a minimum of 1,000 applicants for such plates.

Proposed law specifies that the plate is restricted to use on passenger cars, pickup trucks, recreational vehicles, motorcycles, and vans.

Proposed law requires that the secretary work in conjunction with the local artist selected by the member to select the color and design of the plate.

Proposed law specifies that the license plates will be issued, upon application, to any citizen of the state in the same manner as any other motor vehicle license plate.

Proposed law requires that the dept. collect an annual fee of \$25 in addition to the standard motor vehicle license tax imposed in present law and a handling fee of \$3.50 for each plate to be retained by the dept. to offset a portion of administrative costs.

Proposed law requires monies received from royalty fees to be credited to the state general fund of the state of La.

Proposed law requires the secretary promulgate and adopt rules and regulations as are necessary to implement the provisions of proposed law.

Directs the OMV to create this special prestige license plate when the applicable statutory provisions are met and its system is updated to accommodate the creation of new plates.
