HOUSE BILL NO. 872

BY REPRESENTATIVE ZERINGUE

FISHING/COMMERCIAL: Requires all commercial menhaden reduction fishery vessels to use an AIS system

1 AN ACT

2 To enact R.S. 56:8(160) and 325.5(Section heading) and (D), relative to commercial
3 menhaden reduction fishery vessels; to require vessels to use automatic identification
4 systems; to provide definitions; to direct the Louisiana State Law Institute to
5 organize and renumber certain definitions; and to provide for related matters.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. R.S. 56:8(160) and 325.5(Section heading) and (D) are hereby enacted
8 to read as follows:

9 §8. Definitions

10 For purposes of this Chapter, the following words and phrases have the
11 meaning ascribed to them in this Section, unless the context clearly shows a different
12 meaning:

13 * * *

14 (160) "Automatic identification system" means a very high frequency (VHF)
15 radio-based tracking system that allows vessels to automatically exchange data, such
16 as position, speed, and heading, with other vessels, shore stations, and satellites.

Zeringue

Abstract: Requires all vessels engaged in commercial menhaden reduction fishing to use automatic identification systems.

Proposed law provides a definition for "automatic identification system".

Proposed law requires all vessels engaged in commercial menhaden reduction fishing to use an automatic identification system, including the carrier vessels or steamers (also known as "mother ships") and boats used to deploy purse seines.

Directs the La. State Law Institute to alphabetize and renumber definitions in present law (R.S. 56:8).
