HB 879 Original

2026 Regular Session

Robby Carter

**Abstract:** Requires storage facility operators compensate owners in interest in a carbon dioxide storage facility a percentage of the sequestration tax credit earned.

Proposed law requires at least 1/4 of the gross credits earned by storage operators pursuant to federal law (26 U.S.C. 45Q) for the sequestration of carbon dioxide be paid to the owners in interest in the storage facility according to their proportionate share of acreage contributed to the facility.
