SB 348 Original

DIGEST  
2026 Regular Session

Edmonds

Proposed law provides a sheriff, municipal police department, or other local law enforcement agency may enter into a contract with a licensed private service provider to provide administrative and logistical assistance related to motor vehicle regulatory enforcement, provided that a commissioned law enforcement officer has initiated the enforcement action.

Proposed law provides for the definition of "service provider" and the functions that may be provided by the service provider including:

- (1) Plate processing and administrative handling of documentation.
- (2) Electronic verification of motor vehicle registration, insurance, or compliance data using systems authorized by the office of motor vehicles.
- (3) Preparation, generation, mailing, or electronic transmission of notices of noncompliance or other administrative notices following issuance by a law enforcement officer.
- (4) Administrative coordination with towing or storage facilities at the direction of a law enforcement officer.
- (5) Record keeping, data entry, reporting, and other tasks required by law or by the contracting law enforcement agency.

Proposed law provides all services performed by a service provider be performed only pursuant to documented direction of the contracting law enforcement agency. Proposed law further provides after a lawful enforcement action has been initiated by a commissioned law enforcement officer, a motorist may voluntarily execute a written waiver consenting to voluntary surrender a license plate and administrative handling of the license plate by a private service provider.

Proposed law provides a waiver be voluntary, documented in writing or electronic form, and retained for record keeping.

Effective August 1, 2026.
