SB 364 Original

DIGEST  
2026 Regular Session

Barrow

Present law authorizes the Louisiana Public Service Commission to supervise, govern, regulate, and control the transportation or sale of natural gas moving through pipeline to local distributing systems for resale for the purposes of fixing and regulating the rates charged and the service furnished by such public utilities.

Proposed law retains present law and further authorizes the commission to review and evaluate rates and to fix and regulate fair and equitable rates charged for public utilities.

Effective August 1, 2026.

(Amends R.S. 45:302(A) and 1163(A)(1) and (C))
