HB 1211 Original

2026 Regular Session

LaFleur

Abstract: Provides for the distribution guidelines of rural non-congregate summer meal distribution sites.

Present law provides that the state health officer acting through the office of public health of the La. Dept. of Health (LDH) shall prepare, promulgate, and enforce rules and regulations embodied within the state's Sanitary Code.

Proposed law requires LDH to promulgate rules and regulations for rural non-congregate summer meal distribution sites that do not prepare onsite meals and only distribute pre-packaged and shelf stable meals.

Proposed law provides that the state health officer and the office of public health of LDH have exclusive jurisdiction over rural non-congregate summer meal distribution sites that are not considered food service establishments.
