**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed law does not require the creation of new programs, personnel, or dedicated funding streams. To the extent the bill relies on existing insurance verification infrastructure, any associated administrative responsibilities, such as vendor approval or oversight, are expected to be absorbed within existing agency resources.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
