22 rides, and amusement attractions; service and repairs by owners;  
23 prohibitions

24 A. A person or firm, not to include a ride operator as defined in this Part,  
25 shall not engage in the operation of an ~~inflatable amusement device~~; amusement  
26 attraction; or amusement ride unless the person or firm holds a current and valid  
27 license issued by the state fire marshal as provided in this Part.

28 B. No person or firm shall aid, abet, facilitate, or otherwise assist any  
29 unlicensed person or firm in the operation of an ~~inflatable amusement device~~;

1 amusement attraction; or amusement ride when the person or firm knew or should  
2 have known the latter person or firm was unlicensed.

3 C. The state fire marshal may, by rule, allow the owner of an ~~inflatable~~  
4 ~~amusement device~~; amusement attraction; or amusement ride, or an employee of the  
5 owner, to perform minor service and repairs of the ~~inflatable amusement device~~;  
6 amusement ride; or amusement attraction. The owner shall document such service  
7 or repair and assume responsibility for all such service or repair.

8 \* \* \*

9 §1484.13. Application for firm license; third-party inspection firm license; operating  
10 firm license; requirements to maintain; prohibitions; penalties

11 A. To engage in the third-party inspection or operation of an ~~inflatable~~  
12 ~~amusement device~~; amusement attraction; or amusement ride, a firm shall apply for  
13 and obtain a license and the respective relevant endorsement for third-party  
14 inspection or operation. The third-party inspection endorsement authorizes the  
15 licensee to conduct any necessary testing.

16 B. An applicant for a third-party inspection firm license shall submit all of  
17 the following to the state fire marshal:

27 ~~operation and maintenance of the amusement rides and safety division within the~~  
28 ~~office of state fire marshal, code enforcement and building safety.~~

CODING: Words in ~~struck through~~ type are deletions from existing law; words underscored are additions.

1 §1484.19. Prohibited acts; operator

2 No person or firm shall do any of the following:

3 (1) Engage in the operation of an ~~inflatable amusement device~~, amusement  
4 attraction; or amusement ride without a valid license issued as provided in this Part.

5 (2) Aid and abet an unlicensed individual, employee, or firm in the testing,  
6 inspection, or operation of an ~~inflatable amusement device~~, amusement attraction;  
7 or amusement ride without a valid license.

8 (3) Operate an ~~inflatable amusement device~~, amusement attraction; or  
9 amusement ride contrary to manufacturer's specifications or codes or standards  
10 adopted in rules promulgated by the state fire marshal without specific written  
11 authorization from the office of state fire marshal.

12 \* \* \*

13 §1484.20. Prohibited acts; third-party inspector

14 No person or firm shall do any of the following:

15 (1) Engage in the inspection or testing of an ~~inflatable amusement device~~,  
16 amusement ride; or amusement attraction without a valid license issued as provided  
17 in this Part.

18 (2) Aid and abet an unlicensed operator in the operation of an ~~inflatable~~  
19 ~~amusement device~~, amusement attraction; or amusement ride.

20 (3) Aid and abet an unlicensed individual or firm in the inspection or testing  
21 of an ~~inflatable amusement device~~, amusement ride; or amusement attraction.

22 (4) Certify, test, or inspect an ~~inflatable amusement device~~, amusement  
23 attraction; or amusement ride contrary to the provisions of this Part and adopted  
24 standards, regulations, and applicable manuals, service bulletins, and notices.

25 \* \* \*

26 §1484.22. Notice of violation of standard; cease and desist order

27 A. If after an inspection, investigation, or audit of any ~~inflatable amusement~~  
28 ~~device~~, amusement ride; or amusement attraction, the office of state fire marshal  
29 determines that the respective ~~device~~, ~~ride~~, ride or attraction is in violation of any

1 standard promulgated pursuant to the provisions of this Part, and that there may be  
2 a substantial probability of death or physical injury to the public from its continued  
3 use, a notice of violation may be given to both the owner and operator of the device,  
4 ride, or attraction, and a red tag shall be attached to the ~~device, ride,~~ ride or  
5 attraction. The attached red tag constitutes a cease and desist order.

6 B. After the red tag is attached, the use of the ~~inflatable amusement device,~~  
7 amusement ride; or amusement attraction is prohibited. The red tag shall not be  
8 removed until the device, ride, or attraction is made safe for public use, in  
9 accordance with R.S. 40:1484.5(B)(3), and the required safeguards are provided.  
10 The tag shall not be removed except by the state fire marshal or his designee.

11 §1484.23. Insurance; bond

12 A. No operator shall operate an amusement attraction or amusement ride  
13 unless the operator has ~~either of the following:~~

14 ~~(1) An~~ a general liability insurance policy in an amount of not less than ~~one~~  
15 ~~million dollars~~ two million dollars listing the state fire marshal as the certificate  
16 holder insuring the operator against liability for injury suffered by persons riding the  
17 amusement attraction or ride.

18 ~~(2) A bond in a like amount, provided the aggregate liability of the surety of~~  
19 ~~any such bond shall not exceed the face amount.~~

20 B. A certificate of insurance from the insurance company verifying coverage  
21 shall be filed with the office of state fire marshal, ~~code enforcement and building~~  
22 safety licensing division.

23 \* \* \*

24 §1484.24. Violations and penalties; cease and desist order; injunctive relief  
25 offense.

26 \* \* \*

27 C. In addition to the foregoing provisions, the state fire marshal may assess  
28 civil penalties attributable to the operator of an ~~inflatable amusement device,~~  
29 amusement ride; or amusement attraction to the owner or lessee of the site on which

1 the inflatable amusement device, amusement attraction, or amusement ride is  
2 located, if the owner or lessee of the site failed to reasonably determine that the  
3 operator of the ~~inflatable amusement device~~, amusement ride, or amusement  
4 attraction is in proper compliance with the requirements of this Part.

5 \* \* \*

6 §1484.25. Exemptions

7 The following ~~inflatable amusement devices~~, amusement attractions; or  
8 amusement rides are exempt from the provisions of this Part:

9 \* \* \*

10 (2) An ~~inflatable amusement device~~, amusement attraction; or amusement  
11 ride which is owned and operated by a nonprofit religious, educational, or charitable  
12 institution or association if such attraction or ride is located within a building subject  
13 to inspection by the state fire marshal or his designee.

14 \* \* \*

15 §1484.26. Local regulation

16 Nothing contained in this Part shall prevent any local governmental  
17 subdivision of this state from licensing or regulating any ~~inflatable amusement~~  
18 ~~device~~, amusement attraction; or amusement ride, carnival, or circus as otherwise  
19 provided by law.

20 §1484.27. Waiver of inspection

21 The state fire marshal may waive the requirement that an ~~inflatable~~  
22 ~~amusement device~~, amusement attraction; amusement ride, or any component part  
23 be inspected before being operated in this state if an operator gives satisfactory proof  
24 to the office of state fire marshal that ~~such device~~, the amusement attraction, ride, or  
25 any component part has passed an inspection conducted by a public agency whose  
26 inspection standards and requirements are at least equal to those requirements and  
27 standards established by the state fire marshal pursuant to the provisions of this Part.

1 §1484.28. Rules adopted

2 The state fire marshal shall adopt and issue rules, in accordance with the  
3 provisions of the Administrative Procedure Act, establishing standards for the  
4 installation, repair, maintenance, use, operation, ~~and inspection,~~ and  
5 decommissioning of ~~inflatable amusement devices~~; amusement attractions; and  
6 amusement rides for the protection of the public. The rules shall be based upon  
7 generally accepted engineering standards and shall be concerned with but not  
8 necessarily limited to engineering force stresses, safety devices, and preventive  
9 maintenance. The rules shall provide for the reporting of accidents and injuries

HB 937 Engrossed

2026 Regular Session

LaCombe

**Abstract:** Provides relative to revisions of the Amusement Rides Safety Law.

Present law provides that the purpose of the Amusement Rides Safety Law is to regulate the testing, inspection, and operation of inflatable amusement devices, amusement attractions, and amusement rides, and to prohibit the use of such devices, attractions, and rides when they have not been properly registered, have not received a proper and timely certificate of inspection and have not received a set-up inspection.

Proposed law retains present law except removes all references to inflatable amusement devices and set-up inspections from the Amusement Rides Safety Law.

Present law provides for definitions.

Proposed law modifies present law definitions to remove references to inflatable amusement devices and removes the definitions for "inflatable amusement device" and "set-up inspector". Further modifies the definition of "third-party inspector" to require a person licensed by the office of state fire marshal to perform annual testing and inspecting of amusement attractions and amusement rides.

Present law requires the owner of an inflatable amusement device, amusement attraction, or amusement ride to provide for the initial registration of such device, attraction, or ride. Requires a registration application, a certain certificate of inspection, and a copy of certain general liability insurance to be submitted to the fire marshal. Further requires the annual registration renewal of such devices, attractions, and rides.

Proposed law retains present law except removes all references to inflatable amusement devices from registration requirements.

Present law requires an owner to notify the office of state fire marshal if a plate or decal is lost or damaged. Further provides that prior to receiving a new plate or decal, the owner shall return the damaged plate or decal to the office of state fire marshal and pay a \$30 fee.

Proposed law retains present law and further requires an owner to submit an attestation that the plate was lost to the office of state fire marshal.

Present law requires certain third-party inspection of inflatable amusement devices, amusement attractions, and amusement rides. Prohibits the operation of such device, attraction, or ride unless a respective certificate of inspection has been provided by a third-party inspector and a certificate of registration has been issued by the fire marshal.

Present law requires a third-party inspector to provide notice, within 10 days, to the fire marshal when an inflatable amusement device, amusement attraction, or amusement ride does not comply with certain inspection requirements. Provides for the fire marshal to subsequently issue a cease-and-desist order to a respective operator, and such order shall not be lifted unless deficiencies have been remedied.

Proposed law retains present law except removes all references to the registration of an inflatable amusement device, and decreases the notification time for a third-party inspector to report deficiencies to the fire marshal from 10 days to five days.

Present law requires an operator to notify the fire marshal at least five days prior to commencing the operation of an amusement attraction or amusement ride. Assesses a fine per ride or attraction if the operator notifies the fire marshal less than five days prior to commencing operation as follows:

- (1) \$50.00 for the first offense.
- (2) \$75.00 for the second offense.
- (3) \$200.00 for the third offense.
- (4) \$250.00 for each additional offense thereafter.

Present law provides for a \$250.00 fine per ride or attraction if the operator notifies the fire marshal of a change in date or location less than 5 days prior to operation. Present law applies to inflatable amusement devices, except the fine for respective late notices to the fire marshal changes from \$250 to \$200.

Proposed law retains present law in part, except change the fine schedule for an operator failing to notify the fire marshal prior to commencing the operation to \$250.00 per ride or attraction per event. Further removes notice requirement for inflatable amusement devices.

Present law provides for set-up inspections. Requires an operator to have a set-up inspection conducted on all inflatable amusement devices, amusement attractions, and amusement rides at least once prior to their operation at each event in the state. Provides for the set-up inspection to be conducted by a third-party inspector or an employee of the operator specially trained to perform a set-up inspection.

Present law provides that if an inflatable amusement device, amusement attraction, or amusement ride complies with the requirements of a set-up inspection, the third-party inspector or set-up inspector is required to affix a tag to such device, attraction, or ride. Provides that if such device, attraction, or ride is not in compliance with the requirements of a set-up inspection, the third-party inspector is required to cease operation of such device,

attraction, or ride and provide notice to the fire marshal within two hours of the determination of noncompliance, and tag it accordingly.

Proposed law requires an operator to have a set-up inspection conducted by the office of state fire marshal on amusement attractions and amusement rides at least once prior to their operation at each event. Further removes the ability for third-party inspectors to conduct set-up inspections.

Present law prohibits a person or firm from engaging in the testing and inspection or operation of an inflatable amusement device, amusement attraction, or amusement ride unless the person or firm holds a current or valid license as provided in present law.

Present law prohibits a person or firm from aiding, abetting, facilitating, or otherwise assisting any unlicensed person or firm in the engagement of testing and inspecting or operating when such person or firm knew or should have known the latter person or firm was unlicensed.

Present law authorizes the fire marshal to adopt administrative rules allowing the owner of an inflatable amusement device, amusement attraction, or amusement ride, or an employee of the owner to perform minor service and repairs of such device, attraction, or ride. Requires the owner to document such service or repair and assume responsibility for all such service or repair.

Proposed law retains present law except that it removes all reference to inflatable amusement devices.

Present law requires a firm or operator applying for a firm license to obtain a license and endorsement to test and inspect or operate an inflatable amusement device, amusement attraction, or amusement ride. Further requires an applicant for a third-party inspection firm license or an operating firm license to submit a complete application including the names of certain persons, documentation that the firm is an entity duly authorized to conduct business within this state, certain documentation issued by the secretary of state if the firm is incorporated, regardless of whether such firm is physically located in the state, certain insurance information, and the payment of the required application fee. Further provides insurance documenting general liability coverage in a minimum amount of \$1,000,000.00.

Proposed law retains present law except that it increases the minimum amount of general liability from \$1,000,000.00 to \$2,000,000.00 and removes any reference to inflatable amusement devices.

Present law provides the fire marshal with certain rights and authorities, including but not limited to the authority to formulate and administer certain necessary rules, including rules pertaining to the evaluation of qualifications and examinations of persons and firms, the authority to issue certain licenses, to decrease limits of insurance coverage and authorize acceptance of surplus lines, and the authority to conduct inspections, investigations, and audits.

Proposed law retains present law except removes references to inflatable amusement devices.

Present law requires the attainment of a license and respective endorsement to perform the set-up inspection of an inflatable amusement device, amusement attraction, or amusement ride. Authorizes employees of the owners or operators of such a device, attraction, or ride to become licensed to perform the set-up inspection.

Proposed law removes license endorsement for set-up inspection.

Present law authorizes the fire marshal to assess and collect certain fees. Fees for the registration of each inflatable amusement device, amusement attraction, or amusement ride are as follows:

- (1) Initial Registration Fee:
  - (a) Inflatable amusement device: \$100.00
  - (b) Child or "Kiddie" amusement attraction or amusement ride: \$100.00
  - (c) Adult amusement attraction or amusement ride: \$200.00
- (2) Annual Renewal Fee:
  - (a) Inflatable amusement device: \$100.00
  - (b) Child or "Kiddie" amusement attraction or amusement ride: \$100.00
  - (c) Adult amusement attraction or amusement ride: \$200.00

Present law provides for firm license fees as follows:

- (1) Initial Fee:
  - (a) Inspection endorsement: \$500.00
  - (b) Operation endorsement: \$500.00
- (2) Renewal Fee:
  - (a) Inspection endorsement: \$100.00
  - (b) Operation endorsement: \$100.00

Present law provides licensing fees for an individual's license as follows:

- (1) Initial Fee:
  - (a) Third-party inspector endorsement: \$250.00
  - (b) Operator or Owner endorsement: \$250.00
  - (c) Set-up inspector endorsement: \$250.00
  - (d) Qualifier endorsement: \$1,000.00
- (2) Renewal Fee:
  - (a) Third-Party inspector endorsement: \$50.00
  - (b) Operator or Owner endorsement: \$50.00
  - (c) Setup inspector endorsement: \$50.00
  - (d) Qualifier endorsement: \$100.00

Proposed law removes the authority of the fire marshal to assess and collect fees and removes all fees provided in present law except as follows:

- (1) Registration and annual renewal of an amusement attraction ride:
  - (a) Child or "Kiddie" amusement attraction or amusement ride: \$100.00
  - (b) Adult amusement attraction or amusement ride: \$200.00
- (2) Third-party inspection or owner operator firm:
  - (a) Initial Fee: \$500.00
  - (b) Renewal Fee: \$250.00
- (3) Individual third-party or owner operator:
  - (a) Initial Fee: \$350.00
  - (b) Renewal: \$200.00
- (4) Set-up inspections at event sites:
  - (a) Amusement attraction or device: \$100.00 per device
  - (b) Generator: \$200.00 per device

Present law provides that licenses are valid for one year, unless a multi-year license is created. Requires a license to be renewed by the license holder within the 30 days prior to the license expiration date. Authorizes the fire marshal to create a prorated fee system to allow employee license renewal dates to coincide with the firm license renewal date.

Proposed law retains present law except that it removes the requirement of a license to be renewed within 30 days prior to the license expiration date.

Present law provides that a license not renewed within the 30 days prior to its expiration date is past due for renewal and subject to late fees. Requires the license holder to pay a late fee penalty of \$25.00 for a license renewed within the first 45 days past the license expiration date. Requires the license holder to pay a late fee penalty of \$50.00 for a license renewed between 46 and 60 days past the license expiration date.

Proposed law requires the individual or firm to file an application for renewal of a license without payment of a late fee, after a license has expired. Provides that a late fee of \$125.00 shall be charged to any person who makes application for renewal of a license after 15 days following expiration.

Present law provides for the fire marshal's suspension of a license if the license is not renewed within 60 days past its expiration date or if the license holder has not maintained the license.

Proposed law removes the authority of the fire marshal to suspend a license.

Present law provides a \$20.00 fee for a duplicate or replacement firm or individual license, regardless of how many endorsements are carried. Further provides a cost of \$20.00 to transfer an individual license from one firm to another.

Proposed law increases the fee for a duplicate or replacement license and to transfer an individual license from one firm to another from \$20.00 to \$25.00.

Present law prohibits a person, firm, third-party inspector, or set-up inspector from engaging in certain acts including but not limited to: (1) The operation of an inflatable amusement device, amusement attraction, or amusement ride without a valid license, (2) Aiding and abetting an unlicensed individual, employee, or firm in the testing, inspection, or operation of an inflatable amusement device, amusement attraction, or amusement ride, (3) Operating an inflatable amusement device, amusement attraction, or amusement ride contrary to proposed law, (4) Engaging in certain false, misleading, or deceptive practices, and (5) Failing to maintain certain valid licenses and insurance.

Proposed law retains present law except that it removes references to inflatable amusement devices and set-up inspector.

Present law provides if after inspection or investigation of any amusement ride or attraction, the office of state fire marshal determines such ride is in violation of any promulgated standard or determines substantial probability of death or serious physical injury to the public from the continued use of such ride or attraction, a notice of violation is required to be given in writing to the operator of the amusement ride or attraction and a red tag shall be attached to the ride or attraction, which constitutes a cease and desist order. Prohibits removal of the red tag unless the device, ride, or attraction is made safe for public use and the required safeguards are provided. Provides for the red tag to be removed only by the fire marshal or his designee.

Proposed law retains present law except that it removes reference to inflatable amusement devices.

Present law requires certain insurance or a bond. Prohibits a person from operating an amusement attraction or amusement ride unless the person has either a policy of insurance in an amount of not less than \$1,000,000.00 that provides certain coverage against the operator's liability for injury suffered by persons, or a bond in the amount of \$1,000,000.00, provided the aggregate liability of the surety does not exceed the face amount of the bond.

Proposed law changes the policy limit required from \$1,000,000.00 to \$2,000,000.00 and removes the ability to provide a bond in a like amount.

Present law requires the operator of an inflatable amusement device to have not less than \$300,000.00 of liability insurance or a bond in a like amount.

Proposed law removes the insurance or bond requirement for the operation of inflatable amusement devices.

Present law provides provisions to exempt certain inflatable amusement devices, amusement attractions, or amusement rides from present law. Provides that the provisions of present law do not prevent local governmental subdivisions from licensing or regulating any inflatable amusement device, amusement attraction, or amusement ride, carnival, or circus as otherwise provided by law.

Present law authorizes the state fire marshal to waive the requirement for an inflatable amusement device, an amusement attraction, amusement ride, or any respective component part to be inspected prior to operation in this state or respective component part has passed an inspection conducted by a public agency whose inspection standards and requirements are at least equal to the requirements and standards established in present law.

Present law requires the state fire marshal to adopt and issue rules, establishing standards for the installation, repair, maintenance, use, operation, and inspection of inflatable amusement devices, amusement attractions, and amusement rides for the protection of the public.

Proposed law retains present law except that it removes reference to inflatable amusement devices and further adds a requirement for the state fire marshal to adopt and issue rules for

the decommissioning of inflatable amusement devices, amusement attractions, and amusement rides for the protection of the public.
