

2026 Regular Session

HOUSE RESOLUTION NO. 15

BY REPRESENTATIVES WYBLE, AMEDEE, BERAULT, BILLINGS, CARLSON, CARRIER, CARVER, CHENEVERT, DOMANGUE, EGAN, FIRMENT, FONTENOT, GALLE, HORTON, MCCORMICK, OWEN, SAWYER, VENTRELLA, AND WILDER

A RESOLUTION

To memorialize the United States Congress to take such actions as are necessary to pass the SAVE America Act requiring voter identification in federal elections to protect election integrity and public confidence in the democratic process.

WHEREAS, free, fair, and secure elections are the cornerstone of American democracy and are essential to maintaining public trust in the electoral process; and

WHEREAS, the state of Louisiana currently requests voters to present a valid form of identification prior to casting a ballot to ensure that elections are conducted with integrity and accountability; and

WHEREAS, thirty-six states across the nation either request or require some form of voter identification for in-person voting, which demonstrate that voter identification laws are widely accepted and are constitutionally permissible safeguards; and

WHEREAS, documented cases of election fraud, illegal voting, and administrative errors have occurred in various jurisdictions across the country, underscoring the need for consistent national standards to deter unlawful practices and strengthen election security; and

WHEREAS, requiring voter identification helps prevent impersonation at the polls, protects the lawful votes of eligible citizens, and reinforces confidence in election outcomes; and

WHEREAS, inconsistent election laws among states create confusion for voters and may undermine public trust in federal elections; and

WHEREAS, the SAVE America Act would establish uniform voter identification requirements for federal elections, ensuring that every vote is cast by an eligible voter and that election procedures are transparent and secure; and

WHEREAS, ensuring election integrity is not a partisan issue but a fundamental responsibility owed to every American citizen.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby memorialize the United States Congress to take such actions as are necessary to pass the SAVE America Act requiring voter identification for federal elections.

BE IT FURTHER RESOLVED that the House of Representatives of the Legislature of Louisiana hereby expresses its strong support for policies that safeguard election integrity, prevent fraud, and strengthen public confidence in the democratic process.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the presiding officers of the Senate and the House of Representatives of the Congress of the United States of America and to each member of the Louisiana congressional delegation.
