

1 BE IT FURTHER RESOLVED that the committee shall be composed of the
2 following members, appointed by September 1, 2026:

3 (1) The president of the board of the Louisiana Motor Transport Association or his
4 designee.

5 (2) The president of the board of the Louisiana Loggers Association or his designee.

6 (3) The president and chief executive officer of the Louisiana Chemical Association
7 or his designee.

8 (4) The president of the board of the Louisiana Police Jury Association or his
9 designee.

10 (5) The president of the board of the Louisiana Municipal Association or his
11 designee.

12 BE IT FURTHER RESOLVED that the study committee shall meet on a monthly
13 basis or bi-monthly basis during the moratorium period, with staffing support provided by
14 the Department of Transportation and Development's Permit Department.

15 BE IT FURTHER RESOLVED that the study committee shall evaluate the current
16 permitting processes of local governments, the economic impacts of permits on oversized
17 vehicles, all taxes and fees paid for local highways, and the local permitting practices of
18 neighboring states.

19 BE IT FURTHER RESOLVED that the study committee shall submit a
20 comprehensive written report detailing its findings and recommendations, including
21 suggested legislative or regulatory changes, to the speaker of the House of Representatives
22 and the president of the Senate by February 1, 2027.

23 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
24 president of the board of the Louisiana Motor Transport Association, the president of the
25 board of the Louisiana Loggers Association, the president and chief executive officer of the
26 Louisiana Chemical Association, the president of the board of the Louisiana Police Jury
27 Association, and the president of the board of the Louisiana Municipal Association.

DIGEST

HCR 53 Original

2026 Regular Session

Schamerhorn

Establishes a study committee to examine oversized vehicle permits issued by political subdivisions and related impacts, including the economic effects of such permits, all taxes and fees paid for local highways, and permitting practices in neighboring states. Requires the study committee meet on a monthly or bi-monthly basis during the moratorium period to evaluate current permitting processes and their impacts and submit a written report detailing its findings and recommendations to the speaker of the House of Representatives and the president of the Senate by Feb. 1, 2027.
