3 26 of the Constitution of Louisiana, limited solely to those taxes authorized prior to January
4 1, 1978, and any renewals thereof, or any millage authorized prior to January 1, 1978, but
5 not levied in full or part on the tax rolls. In Orleans Parish this limitation shall apply solely
6 to those taxes authorized and collected prior to January 1, 1978.

7 (b) "Population" shall mean that enumeration of persons within the state, its
8 parishes, and incorporated municipalities determined by the Louisiana State University and
9 Agricultural and Mechanical College Agriculture Center, Department of Agricultural
10 Economics and Agribusiness, under the most recent federal-state cooperative program for
11 local population estimates. Such determination shall be submitted to the state treasurer
12 annually not later than January fifteenth of each calendar year. Any tax recipient body or
13 incorporated municipality which is aggrieved by such determination may file a petition for
14 administrative review with the state treasurer not later than March fifteenth of each calendar
15 year hereafter. The estimates so submitted shall have no effect on the distribution for the
16 fiscal year in which they are made but shall be utilized for purposes of this Act and for
17 distribution during the ensuing fiscal year. The treasurer shall have authority to affirm,
18 modify, or set aside in whole or in part, the determination of the Louisiana State University
19 and Agricultural and Mechanical College Agriculture Center, Department of Agricultural
20 Economics and Agribusiness.

21 (c) "Homesteads" shall mean that enumeration of homestead exemption claims filed

1 and reference in this Act to tax recipient bodies in the city of New Orleans shall refer only
2 to the aforesaid entities.

3 Section 2. The revenue sharing fund for the Fiscal Year 2026-2027 shall consist of
4 the sum of Ninety Million and No/100 (\$90,000,000.00) Dollars.

5 Section 3. The amount to be distributed annually to each parish from the revenue
6 sharing fund shall be the sum of (a) an amount equal to that percentage of eighty percent of
7 the total fund which is equal to the ratio which the population of the parish bears to the total
8 state population, and (b) an amount equal to that percentage of twenty percent of the total
9 fund which is equal to the ratio which the number of homesteads in the parish bears to the
10 total number of homesteads in the state. As used in this Section, the term "homesteads" shall
11 mean that enumeration of adjusted homestead exemption claims filed with the assessors as
12 determined by the Louisiana Tax Commission as of March thirty-first of the current calendar
13 year.

14 Section 4. Except as provided in Section 5, the state treasurer shall distribute the
15 funds herein allocated to the tax collectors of the respective parishes and to the city of New
16 Orleans.

17 Section 5. That portion of the fund for the parish of Ouachita allocated to the
18 Monroe City School Board shall be an amount which will reimburse said board, to the extent
19 available and subject to the provisions of Section 9(C) of this Act, for the taxes lost as a
20 result of homestead exemptions based on the tax rolls for the current calendar year and shall
21 be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom
22 the statutorily dedicated deductions for retirement systems. For the purpose of distribution
23 of the balance of the revenue sharing funds the state treasurer may use the amount listed on
24 the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.

25 Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed
26 by the provisions of this Act, excluding such funds as are distributed directly to the city of
27 New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were
28 due the Monroe City School Board (\$1,164,955), shall form a special fund (\$9,866,728) to
29 be distributed as commissions to the tax collectors of the respective parishes, the city of New
30 Orleans excepted. Each such tax collector shall receive a percentage of such fund, based on

1 commissions received by him pursuant to Act 153 of the 1973 Regular Session, as provided
2 in Section 8 of this Act.

3 Section 7.A. Two and forty-four hundredths percent of all revenue sharing funds
4 distributed by the provisions of this Act, excluding such funds as are distributed directly to
5 the city of New Orleans and the amount listed on the prior year Ouachita tax rolls which
6 were due the Monroe City School Board (\$1,164,955), shall form a special fund
7 (\$2,023,094) to be distributed to the various retirement systems which were eligible for
8 payment pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this
9 Act for distribution to such retirement systems, and shall make due payment thereof to each
10 retirement system in the same proportion that the statutory deduction provided by law for
11 the system bears to the total statutory deductions provided by law for all such retirement
12 systems. For the purpose of distributing these retirement contributions, the state treasurer
13 may use the statutory deductions determined by the Public Retirement Systems Actuarial
14 Committee as per R.S. 11:103 for the previous calendar year.

15 B. The city of New Orleans shall make the deductions legally established for
16 retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular
17 Session and shall make due payment in accordance with the statutory deductions provided
18 by law for all such retirement systems. Notwithstanding the above provisions the city of
19 New Orleans shall remit the following amounts for the indicated retirement systems for
20 Fiscal Year 2026-2027: Assessors' Retirement Fund, \$168,474; Clerks of Court Retirement
21 and Relief Fund, \$137,015; District Attorneys' Retirement System, \$67,281; Registrars of
22 Voters Employees' Retirement System, \$64,443; Sheriffs' Pension and Relief Fund, \$55,762.

29 Section 9. All remaining funds shall be allocated and distributed as follows:

1 A. Subject to the provisions of Subsection B of this Section and except as provided
2 by Section 5, the tax collector of each parish and the city of New Orleans shall allocate and
3 distribute, within fifteen days after receipt thereof, to the tax recipient bodies within his
4 jurisdiction an amount available after commissions and deductions which is necessary to
5 offset losses attributable to homestead exemptions. In any parish which had excess funds
6 in 1977, the amount available for the reimbursement of homestead exemption losses shall
7 be limited to the amount used for that purpose in 1977, adjusted by the percentage by which
8 the number of homesteads in the parish increased or decreased from 1977 to 2023, together
9 with any additional taxing bodies or millages authorized to participate on the same pro rata
10 basis under the provisions of Section 1(a)(3), Section 1(a)(4), and Section 9(B) of this Act.

16 exemption losses in 1977 on the Orleans Levee District's two mill tax. The remaining
17 amount shall be adjusted by the percentage by which the number of homesteads in the city
18 of New Orleans increased or decreased from 1977 to 2023, together with any additional
19 taxing bodies or millages authorized to participate on the same pro rata basis under the
20 provisions of Subsection B of this Section.

21 B. For purposes of this Subsection only, "tax recipient bodies" shall mean and
22 include any recipient of funds hereunder, but limited solely to such specified disbursements.

6 Section 13. The state treasurer shall distribute one-third of the total amount herein
7 allocated to the parishes from the revenue sharing fund to the parish tax collector, or in
8 Orleans Parish to the city of New Orleans, not later than the first day of December in each
9 year, one-third thereof not later than the fifteenth day of March in each year and one-third
10 thereof not later than the fifteenth day of May in each year, and each one-third of the total
11 allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10
12 of this Act; however, the legislative auditor may authorize the granting of additional sums
13 due any recipient in advance upon a showing that the advance receipt of such funds is
14 reasonably necessary. If the state treasurer does not distribute the fund on or before the dates
15 specified in this Act, any interest or other income derived by the state from the parish
16 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis
17 together with the principal amounts due the parishes under the provisions of this Act. Any
18 interest or other income derived by the parish tax collector or the city of New Orleans from
19 the investment or other use of such total parish allocations received from the state treasurer,
20 earned prior to the distributions within the parish as required by the foregoing provisions of
21 this Act, shall be paid over a pro rata basis together with the principal amounts due the local
22 recipients under the provisions of this Act upon distribution thereto, and the parish tax
23 collectors or the city of New Orleans may retain only investment income earned on that
24 portion of the total parish allocation to which they are otherwise entitled under the provisions
25 of this Act. In light of the fact that all assessment roll figures will not be available in time
26 to base the December distribution by the treasurer on current figures, the distribution of
27 funds on the first day of December pursuant to this Act shall be based on the distribution
28 figures for Fiscal Year 2025-2026. The remaining two distributions on the fifteenth day of
29 March and the fifteenth day of May shall be based on current figures for Fiscal Year

1 2026-2027, and such distributions shall be adjusted to compensate for the differences
2 resulting in the use of the Fiscal Year 2025-2026 figures for the December distribution.

3 Section 14. On or before such date as shall be established by the state treasurer, each
4 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually
5 shall file with the state treasurer, on such forms as the state treasurer may require, all
6 information necessary to the computation of the funds to be distributed within the parishes,
7 including, but not limited to, a listing of all such local entities seeking eligibility for funds
8 as a tax recipient body under the qualifications set out in Section 1(A) of this Act, all new
9 millages of such tax recipient bodies as are listed in Section 9(B) of this Act, and all
10 remaining authorities on the tax rolls which are otherwise ineligible to participate in the
11 distribution of revenue sharing funds as tax recipient bodies. The listing shall include such
12 verification for eligibility as may be required by the state treasurer and, notwithstanding the
13 provisions of Section 12 of this Act, no revenue sharing funds shall be distributed prior to
14 receipt and acceptance by the state treasurer of such information and verification. The same
15 authorities shall in the same manner submit to the state treasurer a statement of the amount
16 of revenue sharing funds distributed to each recipient of such funds, including the amount
17 deducted for sheriffs' commissions and for retirement system contributions and shall state
18 clearly on such forms the amount of the distribution to each such recipient which is derived
19 from excess funds and the amount of such distribution which represents reimbursement for
20 tax losses by reasons of the homestead exemption. Such statement shall also include the
21 amount of any revenue sharing funds which remain to be distributed and the recipients to
22 which such remaining funds will be distributed.

23 Section 15. The state treasurer is hereby authorized and directed to make any
24 correction due to an error in the formula within this Act as are necessary and shall submit
25 any such adjustment to the Joint Legislative Committee on the Budget for approval. Any
26 such adjustment shall not cause the total amount of the appropriation under this Act to
27 exceed ninety million dollars.

HB 314 Engrossed

2026 Regular Session

McFarland

Abstract: Provides for the allocation and distribution of the Revenue Sharing Fund for FY 2026-2027.

Paragraphs (1) through (9) of this digest contain no changes from FY 2025-2026 and only restate the general provisions of last year's distribution.

- (1) Provides for the annual allocation and distribution of the state revenue sharing fund in the amount of \$90,000,000 for FY 2026-2027. The parish allocation is determined by the parish's percentage of the total state population (80% of the revenue sharing fund) and the parish's percentage of the total number of homesteads in the state (20% of the revenue sharing fund).
- (2) Requires the state treasurer to remit the total parish allocation in three allotments no later than Dec. 1, March 15, and May 15, and further requires the sheriff to distribute such funds to the tax recipient bodies within 15 days after receipt. Authorizes the sheriff to distribute the first payment based on the previous year pending receipt of the current tax rolls and requires adjustments on the final two payments.
- (3) The constitution mandates payment, on a first priority basis from the parish allocation, of the sheriff's commission, retirement systems' deductions, and reimbursement to eligible tax recipient bodies for ad valorem taxes lost as a result of the homestead exemption; any monies remaining in the parish allocation after such payments are made are referred to as "excess funds" and are distributed on the basis of a local formula contained in the Act.
- (4) Provides that in any parish which had excess funds in 1977, except E. Carroll, the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, adjusted by the percentage by which the number of homesteads in the parish increased from 1977 to 2023. Prohibits participation of new millages levied after Jan. 1, 1978, unless authorized to participate on the same pro rata basis by the local legislative delegation.
- (5) Prohibits general obligation bond millages from participating in revenue sharing and restates the constitutional mandate that the issuing authority levy sufficient millage on all taxable property to pay annual debt requirements. Excepts Sabine Parish with operation and maintenance millages having first priority over bond millages, excepts Natchitoches Parish with maintenance and bond millages sharing pro rata, excepts the BREC Capital Improvement Tax in E. Baton Rouge Parish, and excepts all bonds in Bossier Parish.
- (6) Requires that all local distribution authorities file with the state treasurer all information necessary for the computation and verification of amounts due the eligible taxing bodies, and provides that no funds shall be distributed prior to receipt of such information. Directs the state treasurer and sheriff to pay to a recipient any earnings received from the investments of the parish allocation.
- (7) Retains all prior authorized participation from Act No. 683 of the 2024 R.S. (Revenue Sharing Bill).

- (8) The population shall be determined by the LSU AgCenter, Dept. of Agricultural Economics and Agribusiness, under the most recent federal-state cooperative program for local population estimates.
- (9) Authorizes the state treasurer to make corrections due to an error in the formula within this Act as are necessary. Requires approval by the Joint Legislative Committee on the Budget. Prohibits any adjustment to cause the total amount of the appropriation in this Act to exceed \$90 M.
