2026 Regular Session

Amendments proposed by House Committee on Judiciary to Original House Bill No. 1069
by Representative Berault

1 AMENDMENT NO. 1

2 On page 2, delete lines 5 through 24 in their entirety and insert the following:

3 "Notwithstanding any provision of law to the contrary, a manufacturing
4 distiller who distills liquor at a distillery located entirely within this state and that
5 holds an in-state high alcohol manufacturer's permit may use a wholesaler, for a set
6 fee, to transfer liquor distilled at the manufacturing distillery to another
7 manufacturing distillery in this state owned wholly by the manufacturing distiller to
8 sell or serve to the public for consumption on or off the licensed premises if all of the
9 following conditions are met:

10 (1) The transferring manufacturing distillery maintains no less than a five
11 hundred liter still, and the receiving distillery owned wholly by the transferring
12 manufacturing distillery maintains no less than a one hundred liter still.

13 (2) The quantity of distilled liquor transferred is no greater than ten percent
14 of the total amount of liquor distilled monthly at the transferring manufacturing
15 distillery or five hundred gallons.

16 (3) The quantity of distilled liquor transferred does not exceed an amount
17 greater than fifty percent of the receiving manufacturing distillery's production of
18 distilled liquor for the previous month.

19 (4) The receiving manufacturing distillery shall remit all state and parish or
20 municipal sales and excise taxes to the proper tax collecting authority for all products
21 received and sold to the public."
