EXPENDITURE EXPLANATION

Proposed law will result in an increase of \$361,582 SGR out of the Pursuit Safety and Officer Technology Fund for the Louisiana Commission on Law Enforcement and the Administration of Criminal Justice (LCLE) to implement the Law Enforcement Pursuit Safety and Technology Grant Program. The table below presents the estimated costs for the position with associated expenses including operating expenses (office space, technology needs, and office supplies), professional services, and equipment (a computer, monitor, and printers). Salaries increase by 4% annually for market rate adjustments.

Note: HB 873 creates the Pursuit Safety and Officer Technology Fund Account, provides for a revenue source for the fund, and allows LCLE to use not more than 5% of the annual fund balance for administrative costs. To the extent HB 873 is not enacted or the increases presented above exceed 5% of the fund balance allowed for administrative expenses, LCLE may require SGF.
