

1 Association, and relevant professional medical associations, to conduct a review of the
2 implementation of existing law and guidance concerning pregnancy-related emergency
3 medications in hospital, acute care, urgent care, and retail settings.

4 BE IT FURTHER RESOLVED that the review shall include:

5 (1) A summary of current statewide implementation practices, including storage,
6 dispensing, and access protocols in emergency, inpatient, retail, and urgent care settings.

7 (2) Identification of any barriers to timely access in emergency or acute care or retail
8 or urgent care circumstances.

9 (3) An assessment of whether current implementation results in delay or uncertainty
10 for healthcare providers acting in good faith.

11 (4) A review of relevant peer-reviewed medical research, recognized clinical
12 guidance, and public health data.

13 (5) Consideration of stakeholder input from physicians, pharmacists, hospital
14 administrators, and patients or their advocates collected at, at least two advertised, public
15 meetings.

16 BE IT FURTHER RESOLVED that the Louisiana Department of Health shall
17 prepare a written report setting forth its findings specifically stating:

18 (1) Whether any rules, regulations, guidance documents, or compliance protocols
19 should be revised or clarified.

20 (2) The evidence and reasoning supporting any such recommendation.

21 (3) Whether recommended changes may be made administratively or would require
22 legislative action.

23 (4) If no changes are recommended, the basis for that determination.

24 BE IT FURTHER RESOLVED that the Louisiana Department of Health shall submit
25 its report to the House and Senate committees on health and welfare no later than February
26 1, 2027.

27 BE IT FURTHER RESOLVED that nothing in this Resolution be construed to amend
28 or alter substantive statutory law, but rather to ensure consistent implementation and patient
29 safety within the framework of existing law.

1 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
2 secretary of the Louisiana Department of Health.
