DIGEST
2026 Regular Session

Carter

Present law provides that every student, by the end of the 8th grade, must begin to develop an Individual Graduation Plan or Individualized Education Program, if applicable, to guide the next academic year's course work and assist in exploring educational and career possibilities.

Proposed law retains present law and further provides that every Individual Graduation Plan and Individualized Education Program must include vocational training opportunities in the student's school district.

Proposed law provides that a parent or legal guardian of a student entering 11th grade can request an update to the student's Individual Graduation Plan or Individualized Education Program, that would include available vocational training opportunities.

Proposed law provides that each school must use existing school staff, counselors, and other available resources to carry out proposed law.

Effective on August 1, 2026.
