EXPENDITURE EXPLANATION

Proposed legislation does not require the Louisiana Department of Health (LDH) to spend state funds to purchase signage or the Campus Awareness Initiative; rather, LDH may spend donated funds or accept donated signs, provided the signs are approved by the department. Any signage designed and produced by LDH or its designated nonprofit organization is anticipated to be funded through donations.

REVENUE EXPLANATION

Proposed legislation authorizes LDH to receive donations, which may offset expenditures associated with the Campus Awareness Initiative. The amount of revenue that would be received from donations is speculative and indeterminable.
