

1 WHEREAS, under the Act, fish processors would also be eligible for farm ownership
2 loans, which they could use to acquire or upgrade processing facilities, and for farm
3 operating loans, which they could use to help address the significant operating and
4 maintenance costs that continue to rise; and

5 WHEREAS, the Act would extend eligibility for farm credit to those businesses that
6 provide services to commercial fishermen and fish processing facilities so that businesses
7 and rural communities that rely on the coastal fishing economy would gain an additional
8 option to finance their businesses in the same way that businesses and communities that rely
9 on the farming economy do; and

10 WHEREAS, to ensure effective implementation, the Act further directs the USDA
11 to conduct outreach, provide technical assistance, train agency staff, and coordinate with the
12 National Oceanic and Atmospheric Administration and other federal and state agencies to
13 make sure the USDA programs are accessible to the commercial fishing industry; and

14 WHEREAS, Louisiana's commercial fishermen and processors, as well as the coastal
15 communities they support, would gain improved access to capital, strengthened domestic
16 seafood markets, and support for the long-term competitiveness of domestic commercial
17 fishing and processing.

18 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
19 memorialize the United States Congress to take such actions as are necessary to pass the
20 American Seafood Competitiveness Act of 2026.

21 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
22 presiding officers of the Senate and the House of Representatives of the Congress of the
23 United States of America and to each member of the Louisiana congressional delegation.
