3 Office to establish a pilot program utilizing home incarceration and electronic
4 monitoring; to provide criteria for eligibility for participation in such program; to
5 require the development of rules and regulations for the development,
6 implementation, and administration of such program; to provide for applicability; to
7 require the inclusion of certain conditions within the rules and regulations; to provide
8 for a limitation of liability; to require an evaluation of the program and a report
9 regarding the program to be provided to certain legislative committees; to provide
10 for termination of the program; and to provide for related matters.

11 Be it enacted by the Legislature of Louisiana:

12 Section 1. R.S. 15:571.35.2 is hereby enacted to read as follows:

13 §571.35.2. Pilot program; Caddo Parish Pretrial Home Incarceration Program;
14 electronic monitoring

15 A. The Caddo Parish Sheriff's Office may implement a pilot program using
16 active electronic monitoring of defendants who are eligible pursuant to the
17 provisions of this Section as an alternative mode of incarceration to traditional
18 imprisonment. This program shall be referred to as the Caddo Parish Pretrial Home
19 Incarceration Program.

1 B. A defendant may be eligible for participation in the program if he meets
2 all of the following conditions:

3 (1) The defendant has not been charged with a crime of violence as defined
4 in R.S. 14:2(B) or a sex offense as defined in R.S. 15:541.

5 (2) The Caddo Parish Sheriff's Office has determined that the particular
6 defendant is likely to respond in an affirmative manner to participation in the
7 program.

8 (3) The Caddo Parish Sheriff's Office, in coordination with the district
9 attorney and district court, has interviewed the defendant and has made a risk
10 assessment determination that the defendant is eligible for participation in the
11 program. The Caddo Parish Sheriff's Office shall forward the risk assessment to the
12 court for use as the court may deem proper.

13 C.(1) The Caddo Parish Sheriff's Office shall develop, adopt, and implement
14 rules and regulations for the development, implementation, and administration of the
15 program. Such rules and regulations shall include but not be limited to all of the
16 following:

17 (a) Supervision of the defendant and conditions required for participation in
18 the program. The conditions may include any condition reasonably related to the
19 program, including curfew, home visitations by persons designated by the sheriff,
20 and limitations of the activities of the defendant outside of the home.

21 (b) The use of electronic monitoring devices.

22 (c) Requirements that a defendant obtain employment and pay a reasonable
23 supervision fee to the supervising agency to defray the cost of his supervision and
24 the cost of the required electronic monitoring.

25 (d) Participation eligibility of indigent defendants and the sharing of costs
26 for monitoring indigent defendants, in collaboration with the Caddo Parish
27 Commission. Such rules may provide for a sliding scale of payment so that a
28 defendant who is able to pay a portion, but not all, of such costs may be required to
29 pay such portion.

1 (2) The sheriff may require the defendant, as a condition of participation in
2 the program, to participate in periodic behavioral health checks with a licensed
3 mental health provider if the risk assessment conducted pursuant to Subsection B of
4 this Section identifies behavioral health factors that are reasonably related to
5 supervision or compliance risk. For purposes of this Subsection, "compliance" shall
6 consist of verification of attendance. Failure of the defendant to comply with the
7 provisions of this Paragraph may result in termination of participation in the program
8 if the failure is determined to be willful and not the result of lack of service
9 availability.

10 (3) The defendant shall be given notice in writing of the conditions imposed
11 and shall agree in writing to the conditions.

12 (4) Participation in the program does not negate or nullify the bail
13 obligations as set by the court.

14 (5) Any electronic monitoring provider who is chosen or contracted with to
15 enforce the provisions of this Section shall comply with the provisions of R.S.
16 15:571.36 and 571.37.

17 D.(1) No defendant shall be admitted to the program prior to collaboration
18 and coordination between the court, the sheriff, and the district attorney for approval
19 of the defendant's participation in the program.

20 (2) Notwithstanding any other provision of law to the contrary, the court, at
21 any time on its own motion, may prohibit or terminate the initial or continued
22 participation of a defendant in the program.

23 E.(1) Upon negotiation and agreement with the parish governing authority,
24 the sheriff may collect a sum of not less than the per diem fee authorized by R.S.
25 13:5535(1) to apply to the funding of the program. In lieu of the per diem, the
26 sheriff may establish a fee which is agreed upon by the parish governing authority
27 and the sheriff. Funds obtained pursuant to this Subsection shall not be considered
28 surplus funds.

1 (2) The sheriff may apply for funding and grants from any source he deems
2 appropriate to develop, design, implement, administer, and evaluate the program.

3 (3) The sheriff may engage in cooperative endeavor agreements with other
4 government agencies or departments and with any nonprofit organization whose
5 mission is compatible with the goals and objectives of the program.

6 F. The sheriff may terminate the participation of any defendant in the
7 program who fails to comply with the conditions of the program and require the
8 physical return of the defendant to the parish jail or any other facility as the sheriff
9 deems appropriate for the purpose of continuing the pretrial detention of the
10 defendant.

11 G. The sheriff or the parish governing authority shall not be responsible for
12 any of the following as it relates to a defendant in the program:

13 (a) Medical costs or the provision of medical care.

14 (b) Transportation costs or the provision of transportation.

15 (c) Housing costs or the provision of housing.

16 (d) Food costs or the provision of food.

17 (e) Clothing costs or the provision of clothing.

18 H. The sheriff and his deputies and employees, the parish governing
19 authority or its elected or appointed officials, deputies, or employees, or any party
20 engaged in a cooperative endeavor agreement with the program shall not be liable
21 for any act of a defendant who is admitted to and participating in the program.

22 I.(1) The pilot program established pursuant to the provisions of this Section
23 shall be evaluated with regard to security, beneficial and detrimental effects on the
24 prisoner, projected probable effects on deterrence, costs, labor intensiveness, and
25 other relevant measures of effectiveness. Such evaluation shall provide the required
26 information on a project basis as well as in comparison with traditional
27 imprisonment.

28 (2) A report of the evaluation of the program shall be presented to all of the
29 following:

- 1 (a) The House Committee on the Administration of Criminal Justice.
- 2 (b) The Senate Committee on Judiciary B.
- 3 (c) Members of the North Louisiana Legislative Delegation who represent
 4 Caddo Parish.
- 5 (d) The Caddo Parish Commission.
- 6 (3) Unless otherwise terminated by appropriate legislative action, the pilot
 7 program shall begin a termination process not later than sixty days after the date in
 8 which either of the following occur in Caddo Parish:
- 9 (a) A larger parish jail is constructed, opened, and occupied.
- 10 (b) A new structure is built or an existing structure is renovated that
 11 materially expands capacity of the parish jail.
- 12 (4) If either of the conditions of Paragraph (3) of this Subsection have been
 13 satisfied, no new participants shall be admitted to the program. Except as otherwise
 14 provided in this Section, any participants in the program prior to the completion date
 15 of the new construction or renovation shall be allowed to continue participation and
 16 the program shall be phased out and fully terminated when the number of
 17 participants declines to zero.

18 Section 2. The pilot program authorized in R.S. 15:571.35.2, as enacted by Section
 19 1 of this Act, may be implemented on or before January 1, 2027.

20 Section 3. The evaluation report of the pilot program, required in R.S.
 21 15:571.35.2(I)(2), as enacted by Section 1 of this Act, shall be presented in accordance with
 22 this Act no later than 30 days prior to the first day of the 2028 Regular Session of the
 23 Legislature of Louisiana and no later than December thirty-first in each year thereafter.

Proposed law provides for a list of expenses, relative to the defendant's participation in the program, that are not the responsibility of the sheriff or the parish governing authority.

Proposed law provides for a limitation of liability as it pertains to any act of a defendant who is admitted to and participating in the program.

Proposed law provides for an evaluation of the program, reporting requirements pertaining to the program, recipients of the report, and a termination date for the program that is contingent on the construction or renovation of certain facilities or structures in Caddo Parish.
