Abstract: Provides relative to the Louisiana State Athletic Commission.

Present law provides that no contest or exhibition shall be conducted or held except in accordance with the provisions of present law and the rules or regulations of the commission. Proposed law clarifies that this includes but is not limited to any official sports not mentioned in present law that require commission approval or sanctioning.

Present law provides that no boxing contest or exhibition shall exceed twenty rounds. Proposed law reduces this to a maximum of twelve rounds.

Present law provides for the fining of persons licensed by the commission a maximum of \$1000 for cause and after a hearing.

Proposed law increases the possible fine to a maximum of \$5000.

Present law provides for a tax of gross receipts for contests or exhibitions to be paid to the commission, not to exceed \$50,000.

Proposed law increases this maximum to \$250,000.

Present law provides for a fine for persons conducting a contest or exhibition without complying with the provisions of present law not to exceed \$500.

Proposed law increases this fee to a maximum of \$5000.

Present law provides for certain penalties for noncompliance with present law, including a suit for injunction.

Proposed law amends present law to provide for the issuance of cease and desist orders, and a process for the commission to obtain a temporary restraining order, preliminary injunction, or permanent injunction.

Proposed law provides that the trial for an injunction shall be a summary proceeding.

Proposed law provides for disciplinary actions and license suspension or revocation against licensees or applicants for licenses for violations of proposed law and for reimbursement of costs associated

with disciplinary proceedings.

Present law provides that student-athlete agents shall pay an annual registration fee of \$100 to the Dept. of Justice.

Proposed law amends the fee schedule for student-athlete agents as follows:

- (1) \$1000 for an initial application for registration.
- (2) \$500 for a registration based on a certificate of registration issued by another state.
- (3) \$1000 for a renewal of registration.
- (4) \$500 for renewal of registration based on a certificate of registration issued by another state.

Proposed law provides that all funds received from the payment of registration fees be deposited into the Dept. of Justice Legal Support Fund.

Present law provides that a student-athlete agent's registration is valid from July 1 of one year through June 30 of the following year, and that an initial registration is valid until the first June 30 following the date of the registration.

Proposed law repeals this provision of present law and provides instead that a registration or renewal is valid for two years from the date of the registration or renewal.
