HOUSE BILL NO. 1203

BY REPRESENTATIVES EDMONSTON, BROUSSARD, CARLSON, CARPENTER,  
CARVER, MARTINEZ, OWEN, TARVER, AND TAYLOR

EDUCATION: Provides relative to parent-driven learning cooperatives

1 AN ACT

2 To enact R.S. 17:236.4, relative to associations of parents; to prohibit restricting the use of  
3 a home or commercial establishment by parents participating in a parent-driven  
4 learning cooperative under certain circumstances; to define parent-driven learning  
5 cooperative; to provide for legislative findings; to provide for an effective date; and  
6 to provide for related matters.

7 Be it enacted by the Legislature of Louisiana:

8 Section 1. The legislature finds all of the following:

9 (1) Parent-driven learning cooperatives operate as voluntary associations of parents  
10 who choose to come together for the purpose of educating their children, and such  
11 associations are protected by parental rights and the freedom of association.

12 (2) The state has a legitimate interest in ensuring that children have access to  
13 educational opportunities while also respecting the rights of parents to select and participate  
14 in educational environments that best serve their children.

15 (3) Parent-driven learning cooperatives are intended solely to provide additional  
16 educational opportunities and support services for parents who choose educational options  
17 for their children that are conducted in nontraditional educational settings.

18 (4) The purpose of this Act is to protect the freedom of parents to form and  
19 participate in associations that educate their children and ensure that state law does not  
20 unduly restrict parental choice in education.

1 Section 2. R.S. 17:236.4 is hereby enacted to read as follows:

2 §236.4. Parent-driven learning cooperatives

3 A. If a building used as a home or commercial establishment has met the  
4 requirements for occupancy and has received a certification of occupancy or an  
5 occupancy license for the use of the building, the government shall not restrict or  
6 deny the use of the building by parents who are participating in a parent-driven  
7 learning cooperative.

8 B. As used in this Section, "parent-driven learning cooperative" means a  
9 deliberately small learning environment that meets all of the following requirements:

10 (1) It is a nonpublic educational association between parents and tutors or  
11 instructors that personalizes the learning experience for each student.

12 (2) Students in multiple grade levels participate for part or all of the school  
13 week.

14 (3) Instruction occurs in a home, community space, library, learning center,  
15 or other nontraditional educational setting.

16 C. Nothing in this Section shall be construed to modify, supersede, or  
17 otherwise affect the laws governing religious educational programs conducted in  
18 churches or other religious institutions as provided in R.S. 13:5233.1.

19 Section 3. This Act shall become effective upon signature by the governor or, if not  
20 signed by the governor, upon expiration of the time for bills to become law without signature  
21 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If  
22 vetoed by the governor and subsequently approved by the legislature, this Act shall become  
23 effective on the day following such approval.

Edmonston

**Abstract:** Provides relative to parent-driven learning cooperatives.

Proposed law provides the following:

- (1) If a building used as a home or commercial establishment has met the requirements for occupancy and has received a certification of occupancy or an occupancy license for the use of the building, the government shall not restrict or deny the use of the building by parents who are participating in a parent-driven learning cooperative.
- (2) Defines "parent-driven learning cooperative" as a deliberately small learning environment that meets all of the following requirements:
  - (a) It is a nonpublic educational association between parents and tutors or instructors that personalizes the learning experience for each student.
  - (b) Students in multiple grade levels participate for part or all of the school week.
  - (c) Instruction occurs in a home, community space, library, learning center, or other nontraditional educational setting.
- (3) Parent-driven learning cooperatives are intended solely to provide additional educational opportunities and support services for parents who choose educational options for their children that are conducted in nontraditional educational settings.
- (4) Nothing in proposed law shall be construed to modify, supersede, or otherwise affect the laws governing religious educational programs conducted in churches or other religious institutions as provided in present law (R.S. 13:5233.1).

Effective upon signature of governor or lapse of time for gubernatorial action.
