**EXPENDITURE EXPLANATION**

Proposed constitutional amendment permits but does not require the the investment of state funds in digital assets and precious metals. To the extent that the treasurer invests fund balances into these assets, expenditures may increase. As the treasurer is not required to make these investments, no impact to state expenditures is currently determinable.

Note: In certain circumstances, the Secretary of State may incur minimal ballot processing costs associated with this measure. As a regular practice, the department budgets for up to 10 constitutional amendments and statewide propositions for the fall statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Secretary of State may require additional SGF resources for the 11/03/26 statewide election. Any expenditure impact would be realized in FY 27.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
