**EXPENDITURE EXPLANATION**

Proposed law is anticipated to involve relatively small upfront costs to the Department of Revenue (LDR) associated with data processing, system modifications, accounting, and disbursing of any donated funds. The bill adds additional checkoffs to the income tax return form for donations to the Grambling National Alumni Association and the Louisiana Tech University Alumni Association. R.S. 47:120.37(C) authorizes a 20% fee from the donated amounts to defray administrative costs, and R.S. 47:120.37(B) provides that existing checkoffs be removed from the tax return if they do not generate at least \$10,000 per year for two consecutive years.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure, as only refunds may be donated. The willingness of taxpayers to donate all or a portion of their tax refunds to any particular purpose cannot be predicted.

For context, total donations of refunds to all 26 organizations available as checkoff options totaled \$132,370 in FY 25 as reported in the 2024-2025 Annual Report published by LDR. Donations per checkoff purpose ranged from a high of \$47,037 to a low of \$0.
