

2026 Regular Session

HOUSE RESOLUTION NO. 230

BY REPRESENTATIVE CARLSON

A RESOLUTION

To commend Pamela Granger and McBade Engineers & Consultants, LLC, for ten years of business in Youngsville and the Lafayette area.

WHEREAS, McBade Engineers & Consultants, LLC, is a Youngsville, Louisiana-based civil engineering firm that specializes in water, wastewater, coastal systems, flood risk reduction, and transportation infrastructure; and

WHEREAS, the firm was founded in 2016 and is strengthened by decades of senior engineering leadership; its team brings more than one hundred eighty years of combined experience delivering infrastructure projects for municipal, parish, state, and federal agencies; and

WHEREAS, Pamela Granger is the owner and principal of McBade Engineers & Consultants; she works primarily with government clients and has embraced her role as a problem solver through her company's work; prior to founding her company, she spent more than two decades rising through the professional ranks at engineering firms in Louisiana and Florida; and

WHEREAS, Ms. Granger and McBade Engineers & Consultants are responsible for some of the biggest flood retention projects in Louisiana; not long after its founding, the firm played a pivotal role in addressing drainage issues in her home community of Youngsville after the August 2016 floods; and

WHEREAS, in addition to high-profile drainage projects, McBade Engineers & Consultants helps its clients, which include Lafayette Consolidated Government, the city of St. Martinville, the town of Church Point, numerous independent water districts, and other entities, with water, sewer, and roadway initiatives; and

WHEREAS, Pamela Granger and McBade Engineers & Consultants are deserving of recognition for their outstanding service to the state of Louisiana and its municipalities.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby commend Pamela Granger and McBade Engineers & Consultants, LLC, for ten years of business in Youngsville and the Lafayette area and does hereby extend sincere wishes that they both prosper in their endeavors to improve Louisiana's infrastructure.
