2026 Regular Session

Edmonds

Present law provides a limitation of liability for any volunteer athletic coach, manager, athletic trainer, team volunteer health care provider, or sports team official who has participated in a safety orientation and training program established by the league or team with which he is affiliated.

Proposed law defines "youth injury mitigation course".

Proposed law adds a limitation of liability for certain volunteer athletic personnel who have completed a youth injury mitigation course.

Proposed law requires the La. Dept. of Health (LDH) to establish and administer a process for approving courses that meet the requirements of a youth injury mitigation course.

Proposed law provides that completion of an approved youth injury mitigation course may be used to satisfy the requirements of a safety orientation and training program in present law (R.S. 9:2798).

Proposed law requires each youth injury mitigation course to include instruction on the following:

- (1) Emergency preparedness and planning and rehearsal for responding to traumatic injuries sustained during youth athletic activities.
- (2) Heat and extreme weather-related injuries.
- (3) Musculoskeletal overuse, physical conditioning, recovery, and training equipment usage.
- (4) Heart defects and abnormalities leading to sudden cardiac death.

Proposed law requires LDH to publish and maintain on its official website a list of approved courses not later than 180 days after the effective date of proposed law. Further requires LDH to annually review and update the list of approved injury mitigation courses.

Proposed law authorizes LDH to adopt rules, in accordance with the APA, as necessary to carry out the provisions of proposed law.

Proposed law does not require LDH to spend its funds to pay for the development of the training courses provided in proposed law. Further authorizes LDH to accept donated online courses, provided that the donated courses are approved by LDH.

Designates proposed law as the "Coach Safety Act".

Effective upon signature of governor or lapse of time for gubernatorial action.
