HB 895 Engrossed

2026 Regular Session

Boyd

Abstract: Requires a healthcare provider to provide emergency contraception and HIV and STI post-exposure prophylaxis to all survivors of sexual assault.

Present law provides that a survivor of sexual assault must be provided with any medication during the forensic medical examination, including emergency contraception and HIV or STI prophylaxis.

Proposed law modifies present law requiring the healthcare provider to provide HIV or STI post-exposure prophylaxis administered according to the Drug Information Handbook during the forensic medical exam.

(Amends R.S. 40:1216.1(A)(2)(e))

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Health and Welfare to the original bill:

1. Remove the three-day supply of HIV and STI post-exposure prophylaxis provision.
2. Provide that healthcare providers shall make available to survivors emergency contraception and HIV and STI post-exposure prophylaxis to be administered in accordance with the Drug Information Handbook.
